**SUPER CYCLONE MOCHA
BATTERS MYANMAR, B'ADESH**

Cyclone Mocha crashed through Myanmar and Southeastern Bangladesh on Sunday, sparing sprawling refugee camps but bringing a storm surge to swathes of western Myanmar where communications were largely cut off. Mocha made landfall between Cox's Bazar in Bangladesh and Myanmar's Sittwe, packing winds of up to 195 km per hour, in the biggest storm to hit the Bay of Bengal in over a decade.
